

POSTING FOR VOLUNTEER CORPORATE SECRETARY POSITION

The Shoebox Project for Shelters is a Canadian charitable organization dedicated to bringing joy to women and girls in shelters during the holidays and throughout the year. We operate volunteer-run local chapters in 30 communities across the country. To date, we have delivered over 15,000 gifts to women in need.

We are looking for a Toronto-based lawyer, who shares our values and our interest in helping at risk women and girls, who is interested in serving as Corporate Secretary in a volunteer capacity. The Corporate Secretary would perform all usual activities related to effective board administration.
